

MDYF 2023 Bake-off Parameters

Bake-off Details:

- Projects should be **no longer than 15 minutes** in length.
- Projects can be either filmed and submitted or performed live at the festival. Details on where/how to send video will be provided at a later date.
- Projects can be a recording of a scene that was performed in real time OR it can be an edited film piece. If it is a scene recorded in real time, please ensure that the video quality is adequate enough to see details clearly on the screen (ie faces, props etc).
- If performed live, your project can be adjudicated at the festival. If filmed, you can request adjudication for your project which will be sent out during festival week.
- **If filmed, please submit your projects no later than May 15th.**

Bake-off Ingredients: (All projects must include)

- A line from a fairly well known song (can be sung or spoken)
- A sequence of mime (can be throughout the piece or out of place - like a section of mime where everything else has props)
- A moment of intense emotional output
- An obscure reference to fairy tales
- The number 7
